

Audit Intermediate Key Information

Roberts + Morrow is a progressive BRW top 50 multi-disciplinary **accounting and professional services practice**. We embrace technology and work collaboratively with our in-house specialist teams to meet the needs of our clients right across Australia.

The practice has grown and developed over 70 years to now have 16 partners, over 170 team members and 6 specialist divisions complementing traditional business services.

Job Opportunity!

We have an exciting opportunity to join our Audit team here in regional Armidale. Under the direct supervision of the Audit Partner the role will assist in completing audit engagements of both Corporate Audits and Self-Managed Superannuation Funds. The role may include all facets of auditing, accounting, taxation, computing, consulting and other areas from time to time.

About You!

Completed a university degree in accounting, business or commerce.

Completed or willingness to complete CA/CPA program.

Sound knowledge of Auditing and Accounting standards.

Detailed working knowledge of financial statements and related audit risk-based methodologies and practices.

Work with us!

We have exciting opportunities for team members

Why Roberts + Morrow?

We recognise our people are integral to the success of our business and we are committed to providing continuous professional development, structured growth, and career progression opportunities in a friendly, team-orientated environment.

Our values of **Integrity, Pride, Diversity, Teamwork** and **Energy** guide our daily operations and we are always excited to hear from individuals who live into our values each day. Come and work with a great team of people and benefits!

- » Regular training and development
- » Study leave and financial support to complete relevant university study and the CA and CPA programs
- » A great team environment with coaching directly from partners and senior staff
- » Ongoing career progression
- » Exposure to a wide variety of clients and work challenges
