

## **Business Services Manager**

Roberts + Morrow is a progressive, multi-disciplinary accounting and professional services practice. We embrace technology and work collaboratively with our in-house specialist teams to meet the needs of our clients right across Australia. The practice has grown and developed over 70 years to now have 15 partners, over 160 team members and 6 specialist divisions complementing traditional business services. We seek to provide a holistic service to our clients and work with them closely to meet their financial and business needs.

### **JOB OPPORTUNITY**

We are seeking a seasoned Manager to join our business services team based in our Tamworth office. They will assist the Partners and Associates in building and managing a portfolio of clients, through the provision of high-quality taxation and business advisory services. You will oversee the management of the Business Services Team including achieving performance outcomes, job reviews, workflow management, and team member development.

### **RESPONSIBILITIES**

- Lead and inspire - take charge of the Tamworth Business Services team and work directly with clients to drive success.
- Shape financial strategies - help businesses navigate tax planning and stay compliant with regulations.
- Be a problem-solver - collaborate with clients to tackle accounting challenges and find smart solutions.
- Make an impact - provide expert recommendations that improve financial processes and fuel business growth.
- Stay ahead of the game - keep up with evolving accounting standards and regulations that could affect clients.
- Dive into tax advisory - work on high-level strategies like restructures, small business CGT concessions, wealth transfers, and tax consolidation.

### **ABOUT YOU?**

We're looking for a driven and skilled professional who:

- CA qualified.
- Brings 5+ years of experience in public practice, with expertise as an Accounting Supervisor or Manager in a large Australian firm desirable.

- Has solid experience working as an Accountant in an Australian public practice firm (at least 2-3 years highly desirable).
- Is tech-savvy, with strong proficiency in accounting software systems.
- Possesses deep knowledge of accounting principles and practices, ensuring expert financial guidance.
- Excels in financial reporting and analysis, helping businesses make informed decisions.
- Has hands-on experience with tax compliance, including preparing tax returns with precision.
- Pays close attention to detail and accuracy, ensuring everything is done right the first time.
- Thrives on solving complex problems with curiosity and an innovative mindset.
- Communicates clearly and effectively, both in writing and in person, to engage clients and colleagues.
- Must have Australian citizenship or permanent residency to be eligible for this position.

### **WHY ROBERTS + MORROW?**

Ready to be part of a dynamic, forward-thinking team? At Roberts + Morrow, we know that our people are the heart of our success. That's why we invest in continuous professional development, structured career growth, and progression opportunities all within a supportive, team-oriented environment. Our values: Integrity, Pride, Diversity, Teamwork, and Energy—drive everything we do, and we love connecting with passionate individuals who bring these values to life every day. If you're looking for a workplace that champions your growth and celebrates your contributions, we'd love to hear from you

- Join an amazing team - work alongside passionate professionals in a supportive environment
- Learn from the best - get hands-on coaching directly from partners and senior leaders.
- Take your career further - enjoy structured growth opportunities and clear paths for progression.
- Experience variety and challenge - work with diverse clients and tackle exciting business scenarios every day.
