

# Graduate Accountant

## Key Information

Roberts + Morrow is a progressive BRW top 50 multi-disciplinary **accounting and professional services practice**. We embrace technology and work collaboratively with our in-house specialist teams to meet the needs of our clients right across Australia.

The practice has grown and developed over 70 years to now have 14 partners, over 170 team members and 6 specialist divisions complementing traditional business services.

### Job Opportunity!

We are seeking a motivated and dedicated individual to join our team as a Graduate Accountant. This entry-level position offers an excellent opportunity for recent graduates or individuals with limited experience in the field of accountancy. As a Graduate Accountant, you will receive comprehensive training and mentorship to develop your skills and knowledge in various accounting functions. You will be responsible for assisting senior accountants with financial tasks, maintaining accurate records, and providing support in day-to-day accounting operations.

### About You!

Strong analytical skills with attention to detail

Proficiency in Microsoft Excel and other accounting software

Excellent communication and interpersonal skills

Ability to work independently as well as part of a team

Basic understanding of financial principles and regulations

Work with us!

We have exciting opportunities for team members

### Why Roberts + Morrow?

We recognise our people are integral to the success of our business and we are committed to providing continuous professional development, structured growth, and career progression opportunities in a friendly, team-orientated environment.

Our values of **Integrity, Pride, Diversity, Teamwork** and **Energy** guide our daily operations and we are always excited to hear from individuals who live into our values each day. Come and work with a great team of people and benefits!

- » Regular training and development
- » Study leave and financial support to complete relevant university study and the CA and CPA programs
- » A great team environment with coaching directly from partners and senior staff
- » Ongoing career progression
- » Exposure to a wide variety of clients and work challenges
