

Business Services Supervisor Key Information

Roberts + Morrow is a progressive BRW top 50 multi-disciplinary **accounting and professional services practice**. We embrace technology and work collaboratively with our in-house specialist teams to meet the needs of our clients right across Australia.

The practice has grown and developed over 70 years to now have 16 partners, over 170 team members and 6 specialist divisions complementing traditional business services.

Job Opportunity!

We are seeking a motivated Supervisor to join our business services team. The role will be responsible for reviewing the tax compliance and tax planning work of the team, assisting with complex tax matters and business advisory services. We are looking for someone that is passionate in mentoring and coaching a team; as well as sharing their technical expertise and providing constructive feedback. This role can be offered as a full time remote role working with our team based in regional NSW, Armidale. There is the opportunity to work in our Brisbane city office if needed.

About You!

Commenced or eligible to commence CA or CPA program

Previous experience working as an Accountant in an Australian public practice firm (minimum 5 years)

Strong proficiency in using accounting software systems

Excellent problem-solving skills

Why Roberts + Morrow?

We recognise our people are integral to the success of our business and we are committed to providing continuous professional development, structured growth, and career progression opportunities in a friendly, team-orientated environment.

Our values of **Integrity, Pride, Diversity, Teamwork** and **Energy** guide our daily operations and we are always excited to hear from individuals who live into our values each day. Come and work with a great team of people and benefits!

- » Regular training and development
- » Study leave and financial support to complete relevant university study and the CA and CPA programs
- » A great team environment with coaching directly from partners and senior staff
- » Ongoing career progression
- » Exposure to a wide variety of clients and work challenges
