

## Tax Advisor Key Information

Roberts + Morrow is a progressive BRW top 50 multi-disciplinary **accounting and professional services practice**. We embrace technology and work collaboratively with our in-house specialist teams to meet the needs of our clients right across Australia.

### Job Opportunity!

Our in-house legal division is structured as an incorporated legal practice, RML Solutions Pty Ltd, focusing on providing tax and legal solutions to our clients.

Due to growth of the business, we have a newly created role for a full time Tax Advisor to join our close-knit team. The role is responsible for providing clients with specialist taxation advice including:

- » Drafting of CGT advices
- » Drafting written advice on tax and estate planning issues
- » Assisting solving tax problems for clients.
- » Conducting detailed research to provide accurate specialist advice.
- » Assisting with implementation of settled matters.
- » Undertaking tax research, analysing and interpreting tax legislation.

### About You!

Relevant degree in Business, Commerce, Accounting or Law

Minimum 5 years' experience in a tax advisory role (Legal or public practice is preferred, but not essential)

Strong understanding of tax legislation

Commitment to complete the CA, CPA or Chartered Tax Advisor program

Logical, analytical and have strong problem-solving skills

### Why Roberts + Morrow?

We recognise our people are integral to the success of our business and we are committed to providing continuous professional development, structured growth, and career progression opportunities in a friendly, team-orientated environment.

Our values of **Integrity, Pride, Diversity, Teamwork** and **Energy** guide our daily operations and we are always excited to hear from individuals who live into our values each day. Come and work with a great team of people and benefits!

- » Regular training and development
- » Study leave and financial support to complete relevant university study and the CA and CPA programs
- » A great team environment with coaching directly from partners and senior staff
- » Ongoing career progression
- » Exposure to a wide variety of clients and work challenges
